**Savor the Harvest All Season Long with Ready Pac Foods
Limited Edition Bistro® Smoked Turkey & Pomegranate Vinaigrette Salad**
Bonduelle Fresh Americas Makes it Tastier to Bring More Vegetables into Consumers Diets

Irwindale, Calif., Nov. 5, 2018 – Overindulging on holiday flavors this season just got a reprieve with **Ready Pac Foods Limited Edition Bistro® Smoked Turkey & Pomegranate Vinaigrette Bistro® salad**. Bonduelle Fresh Americas set out to make a salad that captures all the magic of a Thanksgiving meal but doesn't weigh you down. The Limited Edition Bistro® Smoked Turkey & Pomegranate Vinaigrette salad features smoked turkey breast, creamy feta cheese and tangy dried cranberries on a bed of fresh arugula and baby greens, dressed with a zesty pomegranate-orange vinaigrette and topped with a crispy cornbread crumble. Best of all, this craveable salad is under 250 calories and delivers 9 grams of protein.

“The holidays are certainly a time to indulge, but we believe that indulgence can be balanced with healthier choices throughout the months ahead. According to the Calorie Control Council, Americans consume an average of 4,500 calories at Thanksgiving dinner alone, not to mention other gatherings throughout the holidays,” said Priscila Stanton, Vice President of Marketing for Bonduelle Fresh Americas. “Our chef crafted a delicious, satisfying option, packed with fresh veggies, to give consumers something healthier to enjoy, but still allow them to delight in the flavors of the season.”

The only company to offer seasonal, limited-time-only salads, Ready Pac Foods first introduced its Limited Edition Bistro® salad line-up in 2016 to provide consumers with fresh, peak of season ingredients, and exciting new varieties to try – all in a healthier option for an on-the-go lunch. Past Limited Edition Bistro® salads have included seasonal favorites such as Pumpkin Spice, Roasted Corn with Pulled Pork & BBQ Drizzle, Green Goddess with Chicken & Herbed Avocado Dressing and Roasted Beets & Baby Greens.

The Bistro® Smoked Turkey & Pomegranate salad is available now through January where consumers buy groceries nationally, including Albertsons, Safeway, Wegmans, Giant Eagle, Gelson's and Raley's and online at Amazon Fresh.
